

Schedule of Events

Spring and Summer events. This summer RTS Paranormal will be hosting a few fundraisers on the ship to help raise money to keep the ship in good operating standards. A few things that the money goes to is fresh paint for the ship and also to help with the costs of many of the ships day to day operations so the public can have many more fun adventures on a once powerful world war 2 battle ship. Hosted by RTS paranormal people can join them on selective dates for some spooky events on a real haunted ship.
